# ASSP Student Section Updates!

Huge shout out to Glenn Young!

Thanks to his contribution to cover the cost of business cards for the ASSP SELU Student Chapter Members! 9 students will have a better networking experience and potentially open doors as they transition into their careers.

Another thanks to Thomas Cagle with Associated Terminals for working with Creative Graphics to execute the design and production of the business cards.

THANK YOU!

# December Meeting and Christmas Party

Location: Blend Wine Bar, Baton Rouge

Time: 5:00pm to 8:00pm

Collecting donations for Pat's Coats for Kids

# Pat's Coats for Kids

For 35 years Pat's Coats for Kids has provided a warm jacket to children in our community. What was only \$20 to give a kid a new coat in the proper size is now \$25.

During the cold months of December through April, we know that there are kids in the Baton Rouge community that do not have coats, whose parents cannot afford coats, kids that start their day at a bus stop shivering, and kids who enter a school needing time to "warm up" to start their classes.

That is what "Pat's Coats for Kids" is all about and the reason Pat continues to champion the effort.

We will be collecting winter coat donations at our December chapter meeting and Christmas Party on December 19th at Blend Wine Bar.
