Pat's Coats for Kids

For 35 years Pat's Coats for Kids has provided a warm jacket to children in our community. What was only \$20 to give a kid a new coat in the proper size is now \$25.

During the cold months of December through April, we know that there are kids in the Baton Rouge community that do not have coats, whose parents cannot afford coats, kids that start their day at a bus stop shivering, and kids who enter a school needing time to "warm up" to start their classes.

That is what "Pat's Coats for Kids" is all about and the reason Pat continues to champion the effort.

We will be collecting winter coat donations at our December chapter meeting and Christmas Party on December 19th at Blend Wine Bar.
