We're Not Just Talking Safety — We're Building It

The Greater Baton Rouge Chapter of ASSP is elevating safety and celebrating those who support it.

This year, our meetings highlight our amazing sponsors with opportunities to network, present, and get recognized. We're also offering CEU training events and planning a regional personal development conference — packed with leadership, technical training, and networking.

Interested in sponsoring? From branded materials to raffle prizes and meeting visibility, there's a level for every goal.

Let's grow the safety community — together.

Thanks,
Arthur Pennison, Sponsorships Chair

AMERICAN SOCIETY OF SAFETY PROFESSIONALS

ASSP Greater Baton Rouge Members,

We're off and running!

Thank you to our Executive Board for your commitment in planning a strong start to the 25–26 chapter year. Your dedication ensures we continue to deliver value and meaningful opportunities to our members. More information to come as we wrap up our summer planning sessions.

We are seeing momentum build with high engagement and new opportunities for participation. A special thank you to Roco Rescue for hosting a two-day Fall Protection Competent Person course for our members this month.

We have also officially installed our Committee Chairs. Thank you to each of you for stepping up to serve. Your support and volunteer leadership are critical to the success of our chapter. What an exciting year to come!

As we move forward, sponsorships will play a key role in helping us continue to deliver quality programming and networking opportunities. If your organization is interested in sponsoring our chapter, a meeting or event, or if you know a company who would benefit from partnering with us, please reach out.

This year, we are focused on four goals:

- ✓ Increase Site Owner Engagement
- ✓ Support New Orleans Area Engagement
- ✓ Expand Sponsorship Participation
- ✓ Launch a Regional Professional Development Event

These goals are designed to strengthen our chapter, bring in fresh perspectives, and deliver relevant programming for safety professionals in our region.

Let's make this a year of connection, growth, and impact. I look forward to seeing you at our upcoming events!

In service,

Tyler Traweck
