AMERICAN SOCIETY OF SAFETY PROFESSIONALS

Members,

As my term as the 2025–2026 ASSP Greater Baton Rouge Chapter President comes to a close on June 30, I want to sincerely thank each of you for making this such a memorable and impactful year. Serving this chapter has truly been a humbling experience and one of the greatest honors of my professional career.

This year was filled with growth, collaboration, and momentum. From technical workshops and leadership webinars to facility tours, networking events, and our first-ever Innovation & Education Symposium, our chapter continued pushing the limits of what a local ASSP chapter can provide to its members. Seeing the success of our inaugural Symposium was especially rewarding and a true reflection of what can happen when passionate volunteers, engaged members, and supportive sponsors come together with a shared vision.

None of this would have been possible without the incredible dedication of our Executive Board and Committee Chairs. Their countless hours of planning, creativity, and behind-the-scenes work elevated every meeting and event throughout the year. I also want to extend a special thank you to our sponsors whose support allowed us to take our chapter to the next level and provide maximum value and impact to our members. Your investment in our chapter and the safety profession truly makes a difference.

As we transition into the next chapter year, our Executive Board will spend the summer months planning for another exciting year ahead. We are always looking for volunteers, committee members, speakers, and sponsors who want to help shape the future of our chapter and continue building something special here in Greater Baton Rouge.

While my term as President may be ending, I have full confidence that the chapter will continue moving forward in a big way under the leadership of Erin Warren, who officially takes over as Chapter President on July 1. Erin has been instrumental in this chapter's success, and I know she will continue challenging us to grow, innovate, and raise the bar for our members.

Thank you again for your trust, support, and friendship throughout this journey. I look forward to continuing to serve alongside all of you as we keep driving the safety profession forward together.
