AMERICAN SOCIETY OF
SAFETY PROFESSIONALS

Dear Greater Baton Rouge Chapter Members,

I am so grateful for such a wonderful summer and looking forward to seeing everyone very soon.

Well, we are approaching this chapter year in FULL Force. Our first Eboard meeting was very successful and thank you to Performance Contractors for hosting us. We were able to get the entire first half of the year scheduled and in the books.

I am so excited for what we have planned. We started out this month with an awesome Confined Space Workshop thanks to ROCO Rescue. We will continue into September with our first technical meeting at Alliance Safety Council with Drew Shields and a talk about HOP.

In October, join us in New Orleans for our first social event of the year to include our families. We will have a sunset dinner cruise on the Creole Queen with a Halloween costume contest for the kids and the adults (dressing up is not required), face painting, balloon animals, alligator handler and trick or treating. It will be a nice relaxing event, because we have our next Innovation and Education Symposium in November to get ready for. Then to close out 2026 we will be having our Christmas Social hosted by CORE in December.

We are still looking for sponsors for the chapter and the symposium.

I am really looking forward to all of our meetings this year and hope to see everyone there!

Stay safe,

Erin Warren, MBA, MS

President, ASSP The Greater Baton Rouge Chapter

Call For Sponsors

Your sponsorship may include visibility at:

- Monthly Chapter Meetings
- Professional Development Events
- The Innovation and Education Symposium
- The Annual ASSP Golf Tournament
- Student and Young Professional Programs
- Community Outreach and Special Chapter Events

Our goal is simple: provide more value, more visibility, and more opportunities to connect with the safety professionals who influence purchasing decisions, lead projects, and help shape the future of our industry.

Arthur Pennison Jr, CSP, ASP
VP Corporate Partnerships
